Select required service  
at the same time as  
login so the next  
screen will go directly  
to the selected service  
once login is successful

Enroll if not already  
a member

Clicking on each category will expand it in place without going to a separate screen

TD - Transfer Money

PB - Pay Bills

SM - Send Money

Selecting one of these options will give only that category for the checking account

If the Checking Account is selected it will swipe to a new screen with the available balance and debit and credit details

Can select a different service from the list or can go back to account summary
